

**Nouveau<sup>™</sup> - 2 units (High Center)  
Convex 2' X 2' - Nominal**

A quadratic diffuser by design, two ArtDiffuser<sup>®</sup> Nouveau<sup>™</sup> planks can be installed abutted, side by side, to create a single 2'x4' quadratic diffuser in either a 'convex' or 'concave' configuration – which can be further extended into a larger array.

**Construction:** Poplar, natural wood, unfinished.

**Nominal Size:** 11.25"x48"

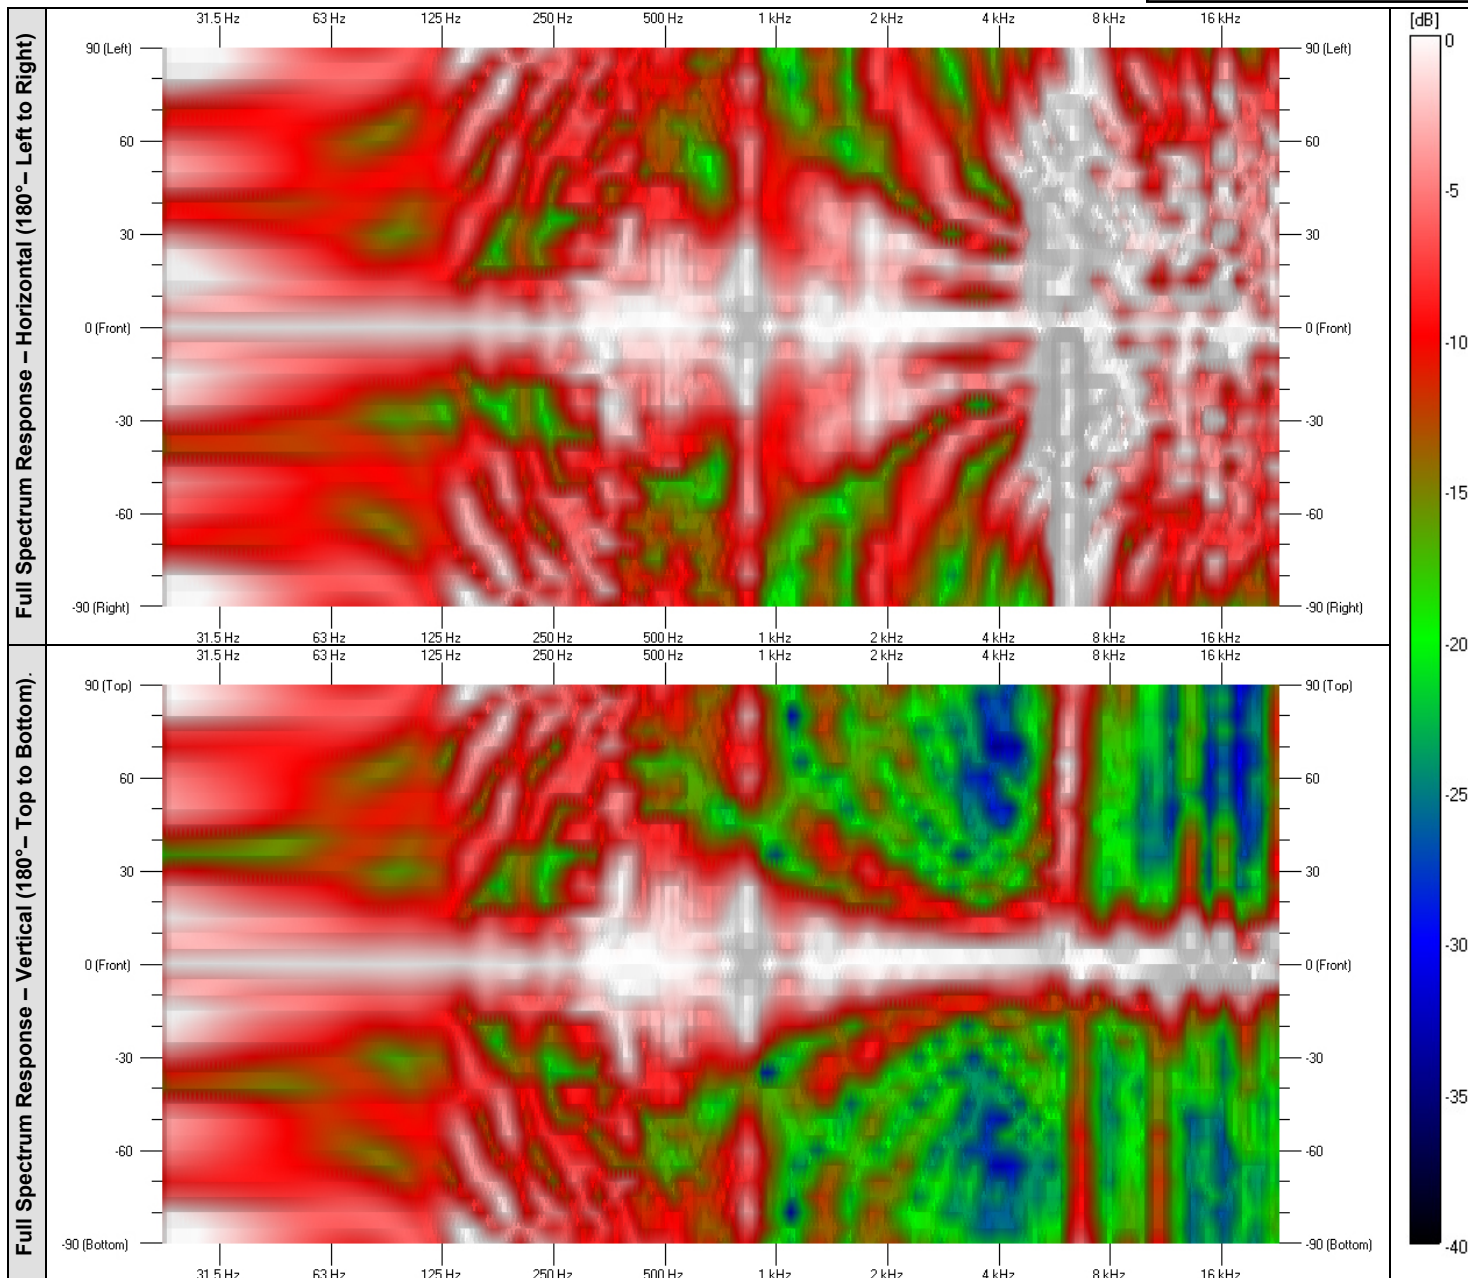

**Depth:** 2.75"

**Mounting:** Direct mount to wall  
– OR – Z-bar installation.

Modified 1D Quadratic Diffuser  
Asymmetric Organic Quadratic

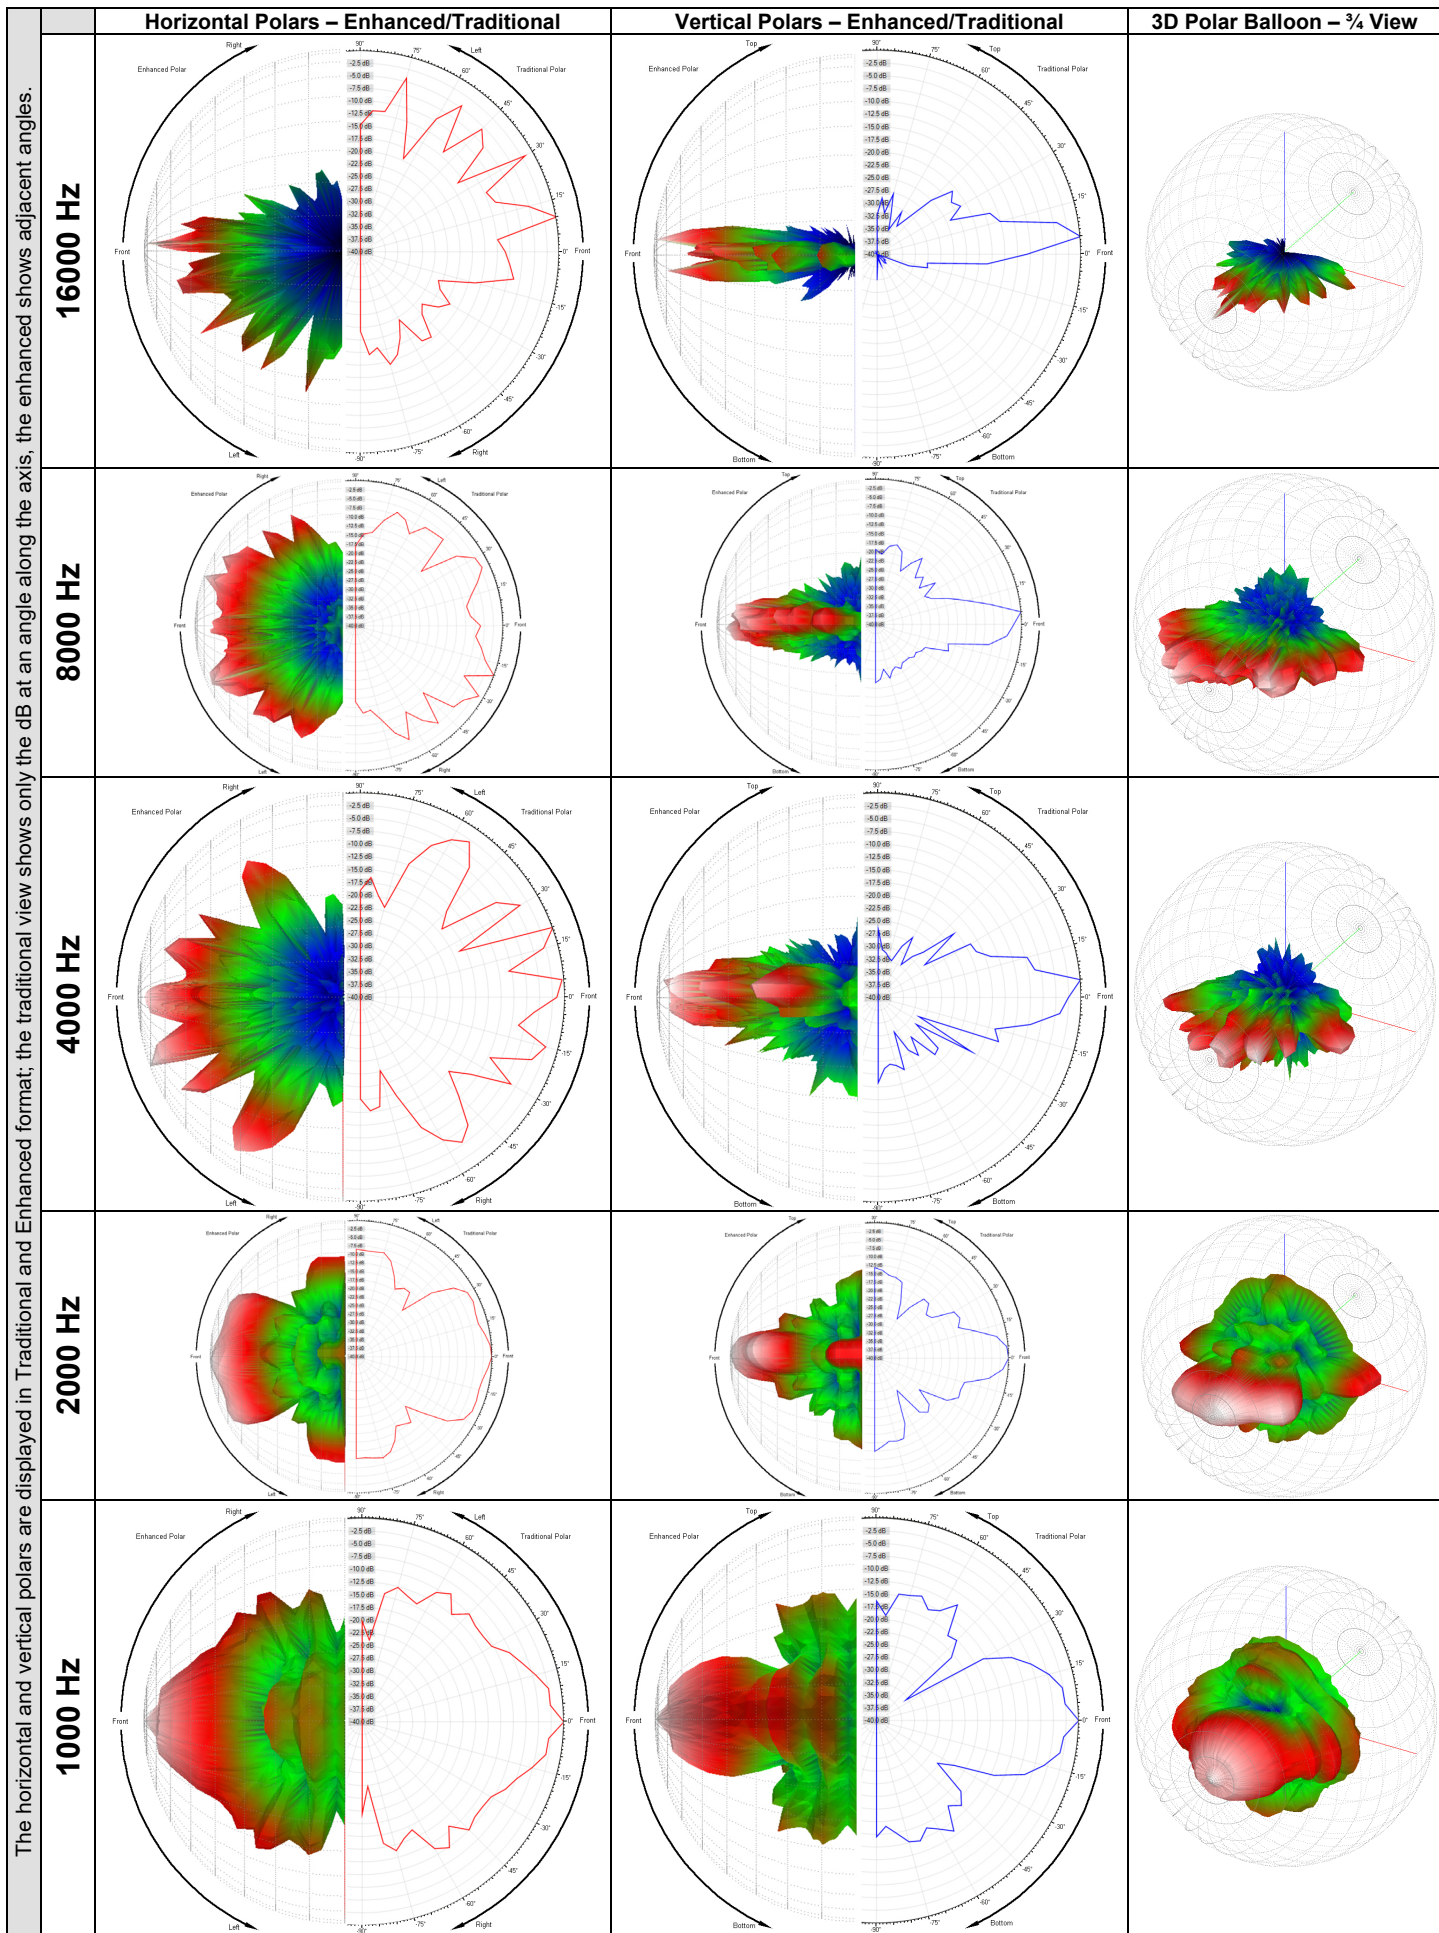

Operational Parameters:  
Diffusion: Mid to High-Mid band  
Primary: 2k- 7.5k  
1D Pattern  
Wide Phase & Directional Diffusion

Wall Mountable  
Asymmetric Distribution

**Sound Absorption Coefficients – Nouveau Performance -Pending**

| Mounting | 125 Hz | 250 Hz | 500 Hz | 1000 Hz | 2000 Hz | 4000 Hz | NRC |
|----------|--------|--------|--------|---------|---------|---------|-----|
|          |        |        |        |         |         |         |     |
|          |        |        |        |         |         |         |     |
|          |        |        |        |         |         |         |     |
